REVOLUTIONARY LIGHTING SOLUTIONS

P R O D U C T C A T A L O G

GOLIGHT® LEGENDARY SEARCHLIGHTS

POWERFUL

From stormy roadside emergencies at 2am, to rainy late-night repairs, to moonless nights on the water... **power** is the first priority in lighting. At Golight, Inc., our design engineers are committed to continually developing and testing new bulb and reflective technologies that produce brighter, more powerful light sources.

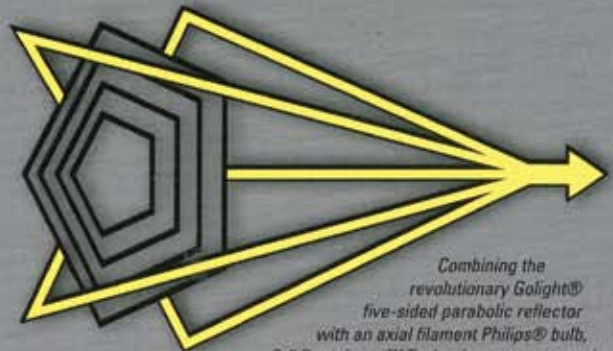

Golight® Cr5 Pentabeam™

Combining a revolutionary five-sided parabolic reflector with an axial filament Philips® bulb, Cr5 Pentabeam™ Technology generates an extremely bright, virtually perfect beam of light to eliminate dark spots, cast a broad spectral pattern and reach distances of up to one-half mile. Projecting more usable light than other brands, Cr5 Pentabeam™ brings more power to you, anywhere you go.

VERSATILE

The patented Golight® designs reflect thousands of uses and applications for portable lighting. Our foremost concern is designing units that adapt to any real-world situation. That's why all of our units combine a unique **370° rotation with 135° tilt**—creating a sphere of coverage that reaches the most extreme angles.

The Golight® features **three remote control options** to give the user precision control from virtually anywhere—inside a squad car, atop a boom truck or from across the yard. Unlike other searchlights, our units offer either **permanent or temporary mounting** options to better adapt to your application needs. Whatever challenges you encounter, you'll find the versatile capabilities of the Golight® will give you the advantage.

Combining the revolutionary Golight® five-sided parabolic reflector with an axial filament Philips® bulb, Cr5 Pentabeam™ Technology captures and directs more usable light than other designs.

GOLIGHT®

OTHERS

GOLIGHT® LUX FACTORS

Durable, Versatile, Powerful... Guaranteed!

DURABLE

When it comes to the rigors of outdoor exposure, **durability** is no option—it's a necessity. Saltwater. Sunlight. Rain. Sleet. Sand. Heat and Cold. Our lights meet the challenge of all of these conditions, and more. Whatever nature decides to throw your way, you can depend on the quality, construction and materials of the Golight®.

Every aspect of the Golight® is designed for durability and strength. **Ultra-Violet Ray and Saltwater Resistant**, the highest quality UV materials are implemented into our impact resistant casing to protect from cracking, warping and discoloration. The vital mechanisms of each Golight® are sealed from exposure to rain, snow and dirt—ensuring that your Golight® is ready to weather any storm you can take it through.

GUARANTEED.

We're committed to designing and developing innovative products to meet our customers' needs. This commitment may mean little to you, so we back the Golight® with a limited **3-Year Warranty** giving you the assurance that each unit is designed and manufactured to the highest quality standards.

And our dedication to **customer service** means that you can feel free to contact us any time. Whether you're a private consumer with questions, or a corporate industry buyer looking for custom mounting for your vehicle fleet... our representatives are ready to meet your specific needs.

We do everything it takes to build an exceptional product, then we put our word behind it. That's something you can trust... **Guaranteed.**

GOLIGHT® PERMANENT MOUNT SEARCHLIGHTS

RADIORAY®

MODEL 2000 (white) 2051 (black)
Programmable Wireless Remote

Package Includes:

- Programmable Wireless Remote
- Mounting Hardware

Unit Size: 7" x 7" x 6.5" / Base: 5.75" x 5.75"

GOLIGHT®

MODEL 2020 (white)
Dash Mount Remote

Package Includes:

- Dash Mount Remote
- 20' Wiring Harness with Quick Disconnects for Easy Installation
- Mounting Hardware

Unit Size: 7" x 7" x 6.5" / Base: 5.75" x 5.75"

GOLIGHT®

MODEL 2049 (black) 2067 (white)
Dual Remote (Dash Mount & Wireless)

Package Includes:

- Dash Mount Remote
- Programmable Wireless Remote
- 20' Wiring Harness with Quick Disconnects for Easy Installation
- Mounting Hardware

Unit Size: 7" x 7" x 6.5" / Base: 5.75" x 5.75"

RADIORAY®

Search/Navigation Light
MODEL 2100 (white) 2110 (black)

Package Includes:

- Programmable Wireless Remote
- 12" Stanchion Mount
- 2 Prong Receptacle
- Heavy Nylon Carrying Case

Unit Size: 7" x 7" x 16.75"

FEATURES:

- Cr5 Pentabeam™ Technology
- Remote Controlled Operation
- 370° Rotation x 135° Tilt
- 400,000 Candle Power
- 5.5 Amps
- U.V. Ray and Salt Water Resistant
- 3-Year Limited Warranty

Golight® Cr5 Pentabeam™

Combining the revolutionary Golight® five-sided parabolic reflector with an axial filament Philips® bulb, Cr5 Pentabeam™ Technology generates an extremely bright, virtually perfect beam of light to eliminate dark spots, cast a broad spectral pattern and reach distances of up to one-half mile. Projecting more usable light than other brands, Golight® Cr5 Pentabeam™ brings more power to you, anywhere you go.

GOLIGHT® PORTABLE SEARCHLIGHTS

GOLIGHT®

MODEL 5149 (charcoal) 5167 (white)
Wired Remote

Package Includes:

- Wired Remote
- Suction Cup & *Permanent Mount Shoe*
- 15' Cord with Cigarette Plug for 12v DC

Unit Size: 7" x 7" x 8" / Base: 7" x 7.5"

RADIORAY®

MODEL 7900 (white)
Programmable Wireless Remote

Package Includes:

- Programmable Wireless Remote
- Suction Cup & *Permanent Mount Shoe*
- 15' Cord with Cigarette Plug for 12v DC

Unit Size: 7" x 7" x 8" / Base: 7" x 7.5"

RADIORAY®

MODEL 7901 (white) 7951 (black)
Programmable Wireless Remote

Package Includes:

- Programmable Wireless Remote
- Suction Cup & *Magnetic Mount Shoe*
- 15' Cord with Cigarette Plug for 12v DC

Unit Size: 7" x 7" x 8" / Base: 7" x 7.5"

GOLIGHT® PROFILER™

Rechargeable Hand-Held Searchlight

MODEL 8100 (charcoal/black)

MODEL 8120 (yellow/black)

Package Includes:

- Removable/Rechargeable Nickel Metal Hydride Modular Battery Pack
- Carrying Strap
- 115V AC Adapter & 12V DC Converter

Unit Size: 10" x 8" x 8"

FEATURES:

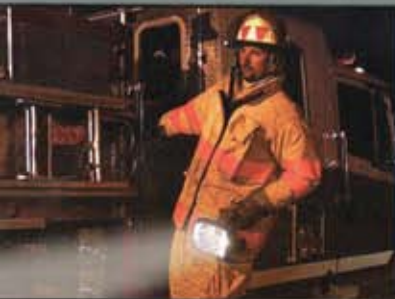

- Cr5 Pentabeam™ Technology
- Remote Controlled Operation
- 370° Rotation x 135° Tilt
- 400,000 Candle Power
- 5.5 Amps
- U.V. Ray and Salt Water Resistant
- 3-Year Limited Warranty

Ask About Our Interactive Merchandising Display!

PROFILER™ FEATURES:

- Cr5 Pentabeam™ Technology
- Patented Dual Function/Two Position Swivel Handle
- Continuous Beam Intensity
- 1.3 Million Candle Power
- U.V. Ray and Salt Water Resistant
- 1-Year Limited Warranty

GOLIGHT® STRYKER™ REMOTE CONTROLLED SEARCHLIGHT

GOLIGHT® STRYKER™

Wireless Hand-Held Remote
MODELS

3000 (white) 3006 (chrome) 3051 (black)

Package Includes:

- Rockguard Cover
- Stainless Steel Mounting System

Unit Size: 7.5" x 7" x 7.25" / Base: 6" x 6"

GOLIGHT® STRYKER™

Wireless Dash-Mount Remote
MODELS

3100 (white) 3106 (chrome) 3151 (black)

Package Includes:

- Rockguard Cover
- Stainless Steel Mounting System

Unit Size: 7.5" x 7" x 7.25" / Base: 6" x 6"

GOLIGHT® STRYKER™

*Wireless Dash-Mount Remote
and Wireless Hand-Held Remote*
MODELS

3067 (white) 3066 (chrome) 3049 (black)

Package Includes:

- Rockguard Cover
- Stainless Steel Mounting System

Unit Size: 7.5" x 7" x 7.25" / Base: 6" x 6"

FEATURES:

- Cr5 Pentabeam™ II Technology
- Wireless Remote Controlled Operation
- 370° Rotation x 135° Tilt
- 500,000 Candle Power, 5.5 Amps
- U.V. Ray & Salt Water Resistant
- Integrated 12V DC High-Torque Motors
- Weatherproof for Land and Sea Applications
- Waterproof Remote Transmitters
- R.F. Programmable Super Heterodyne Receiver
- 5-Year Limited Warranty

Golight® Cr5 Pentabeam™ II

Combining the revolutionary Golight® five-sided parabolic reflector with an axial filament Philips® 9011 bulb, Cr5 Pentabeam™ II Technology generates an extremely bright, virtually perfect beam of light to eliminate dark spots, cast a broad spectral pattern and reach distances of up to one-half mile. Projecting more usable light than other brands, Golight® Cr5 Pentabeam™ II brings more power to you, anywhere you go.

Revolutionary Installation Features:

- Exclusive Wireless Dash-Mount Remote Option
—Eliminates the Need for Running a Wiring Harness!
- Innovative Mounting Plate with Under-Locking Interphase
—Saves Time with a Simple, Two-Step Installation!
