Full Length Vehicle Specific Console

This all aluminum construction has an equipment mounting area of up to 17". It also includes a 13" x 9" carpeted storage compartment and armrest mount assembly. The OEM armrest pad is re-used and adapted to assembly mounted over the storage compartment. This console works perfectly in conjunction with the C-TM-DUR Trak Mount assembly (order separately).

C-VS-3011-DUR

Vehicle Specific Mounting

Trak-Mount designed specifically for the Durango. Provides a versatile and very stable equipment mounting area.

C-TM-DUR

Vehicle Specific Consoles

Havis-Shields makes a 7" console that mounts ovetop of the OEM console and a 12" console that replaces the top of the factory console. Neither require permanent modification.

C-VS-700-DUR
C-VS-1200-DUR
