

Justice™ Lightbar Series

JUSTICE **WE CAN** AND JUSTICE COMPETITOR™ SERIES

*High performance,
cost competitive
Super-LED® lightbar
with a wide range of
options, designed for
ease of operation,
upgrade and
serviceability.*

FEATURES

- WeCan™ offers built-in Traffic Advisor™ control, independent flash pattern plus phase control of each individual lighthouse, optional flashing take-downs and alley lights.
- Competitor™ Series offers front, rear and all bar operation control, optional Scan-Lock™ flash patterns, pattern override feature, alley lights, take-downs and/or flashing takedowns, low power operation and optional Traffic Advisor with control head.
- Twelve inches wide and only 2 1/4" high (without mounting feet).
- Three standard lengths 44", 50", 56" plus a 62" JFO Wrecker Bar.
- Black polycarbonate base on an extruded aluminum platform. Clear outer lens standard with a moisture resistance compression fit gasket. Color lenses available.
- Standard CON3™ lighthouse modules with removable optic spreading filters.
- Center section available with single CON3 or two LTR3s™ (for split color center section).
- Corner modules available with 6 or 9 Super-LEDs®
- Standard passenger side cable, driver side optional.
- Service oriented. Change colors, upgrade or service lightbar in the field.
- Simply remove four screws to access any section of the lightbar.
- Replace any lighthouse by removing one screw and single connector.
- JFO Wrecker Lightbar, standard 62" Competitor Series model with rear work and brake/tail turn lights
