

Havis Ledco Docking Station for Panasonic CF-29* and CF-30

Panasonic
TOUGHBOOK
TESTED

MIL-STD-810F
COMPLIANT

When rugged counts

The new Havis® Ledco® Docking Station for the Panasonic CF-28*, CF-29* and CF-30 is the lightest, strongest Panasonic compatible dock on the market providing the safest, most reliable solution for mobile computing applications.

Smallest Footprint

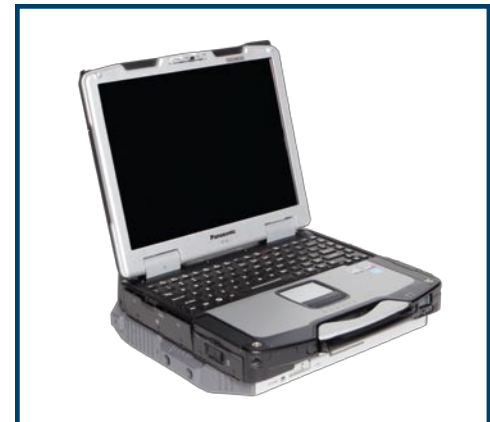

The lightest weight of any comparable product, taking up less cabin space than any other dock currently available.

Insightful Design

The DS-CFX2-P is the only unit with a spring mechanism in the docking head, maximizing device uptime.

Tested to the highest standards

MIL-STD-810F shock and vibration tests, Cycle tested, EMC compliant, and a 30 mph crash test (SAE J1455).

Top: DS-CFX2-P with a docked Panasonic Toughbook CF- 30

Bottom: Spring loaded, floating docking head

* Panasonic Toughbook CF-28 and CF-29 only compatible with Part # DS-CFX2-Legacy (see note on back)
