

## Bolt-On Mounting Platform

Whelen's QuickFit is designed for fast and effortless installation. The bolt-on system securely mounts QuickFit with no cutting or drilling, for a strong and secure rooftop mount.

### FEATURES

- Mounts a variety of Whelen emergency lighting without any vehicle damage, including beacons and the following mini lightbars: Responder<sup>®</sup> LP, Mini Century™, Mini Liberty™ II, and Mini Legacy™
- Vehicle specific vacuum formed install kits provide a perfect fit
- Durable Black powder-coated aluminum construction
- Bolt-on installation system with fixed brackets requires no cutting or drilling, providing peace of mind when used on both leased trucks and aluminum roof structures
  - Quickly and easily mounts using the screw holes of the vehicle's third brake light
  - The third brake light remounts to the QuickFit platform
  - Wiring is simple to install through the existing third brake light opening, without removing the headliner
- Quickfit is designed to keep a level mounting surface for the life of the install
- Mounting area is approximately 7.5" (54mm) x 17.25" (438.15mm)
- Includes mounting bracket
- Two year warranty

Shown with optional Responder LP
